Faith Conversations

As parents, talking about faith can be challenging because we don't always know what to say or how to say it. The manner in which you talk about faith will change as your kids grow through each phase of life. Please visit Next Steps after the service to pick up a conversation guide for your child no matter their current phase.

Exciting news for Sundays at CityStudents!

We're introducing new opportunities for students to engage in worship and take on essential roles within our community. Whether it's greeting, assisting with tech, or participating in age-appropriate serving opportunities alongside the children's department, there are many ways for our students to get involved. They will also enjoy the worship experience Sunday mornings alongside their family and friends. Sundays will offer students a chance to grow spiritually and make a positive impact, while learning to serve in the church.

This means our students will no longer meet at the main campus during the 9 a.m. service time. Our Wednesday night schedule will remain the same with the Annex doors open at 5:30 and worship and small group time beginning at 6 p.m.

If your student would like to serve on Sundays, please use this QR code and allow them to fill out this form so we can get them connected!

Thank you for always allowing us to partner with you as parents/guardians to make an impact on the next generation!

The BIG Give supports all of our partners locally and internationally. We collect donations increasing in size ending in December with a Big Give! You can use this QR code to donate online or place your gift in the tithe boxes by the doors.
