Gratitude Family Challenge

We are so excited to head into the holiday season as a church family. If we take the time to look closely at our lives over the last year and beyond, there is so much for us to be thankful for and so much for us to help the next generation be thankful for.

That is exactly what we want to do together for the month of November! We hope you will join us in the Gratitude Family Challenge, a guide that will help cultivate a heart of gratitude.

Please scan the QR code to download the "Gratitude Family Challenge" from Parent Cue. Everyone is invited and encouraged to participate!

We are now accepting recommendations for the following committees and deacons for 2024. Please prayerfully consider individuals that would serve City Church well in these roles. Use the QR code here to submit your recommendations by Oct. 29.

We need you to begin collecting NEW child-sized hats, underwear, gloves, & socks. These can be dropped off at the Annex or Main Campus during the month of December!

NOVEMBER

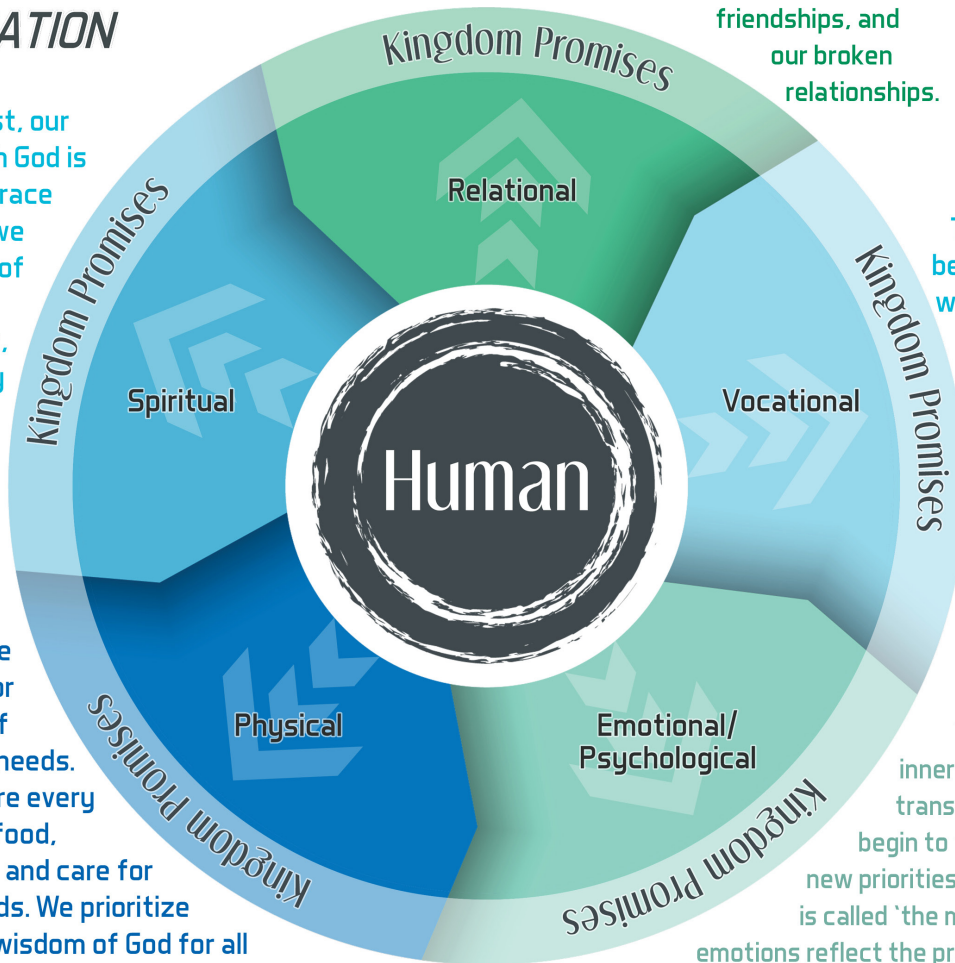

BIG GIVE MONTH – We are excited to announce our “BIG GIVE” recipient for 2023! Our goal is to provide funding for the Panama City Rescue Mission. After facing many trials, the mission has finally reopened and is ready to help bring restoration both physically and spiritually to those facing poverty and homelessness but they need the local church to come alongside

Through Christ, all our human relationships are restored and should become a reflection of the grace and love of Jesus. We begin to pursue the restoration of our family relationships, our friendships, and our broken relationships.

Through Christ, our relationship with God is reconciled. By grace through faith, we become children of God who have forgiveness of sin, the indwelling Holy Spirit, and eternal life.

Through Christ, we begin to serve and advocate for the meeting of people’s physical needs. We strive to ensure every person has food, clothing, shelter, and care for their health needs. We prioritize the values and wisdom of God for all issues which relate to the human body.

Through Christ, we begin to do & view our work through the lens of God’s redeeming work in creation. We do our jobs as a contribution to God’s good purposes in His world.

Through Christ, our inner self begins to undergo transformation. Our minds begin to think differently with new priorities and godly values (this is called ‘the mind of Christ’). Our emotions reflect the presence of God’s Spirit within us (this is called ‘the fruit of the Spirit’).
