2025 Advent Project

Like last year, we would like to provide our families with a devotional to assist with the observance of Advent this coming winter. For this Advent Project, we encourage anyone with an interest in writing, art, photography, or other creative abilities to offer a submission for this publication. Submissions are being accepted now through Sept. 30.

For more details including a summary of the meaning of Advent and some helpful prompts to get you started, please visit citychurchpc.com/adventproject or use the QR code provided here! Files may be uploaded on this website or emailed to info@citychurchpc.com.

The BRIDGE

We are thrilled to introduce The Bridge, a new environment designed specifically for our middle school students (grades 6th-8th).

Details:

- **Who:** Open to 6th-8th grade students.
- **What:** The Bridge focuses on discussing the previous weeks' messages from the main service. It is designed to help students learn, discuss, and apply the messages to their personal lives.
- **When:** Meets the first Sunday of each month during 1st service. Students will transition to a designated space just before the message.

Our goal is not to take students out of the main service, but to equip them with the tools to process longer messages and engage in meaningful discussions. We will make adjustments along the way to best serve our students, but we are excited for this next step in their faith journey! If you have any questions, connect with Clint Logan at cmlogan@citychurchpc.com!
