FALL SERMON SERIES

My Community: Separating Truth from Nonsense about the Church

NEXT 5 WEEKS: THE NATURE AND MISSION OF THE CHURCH

Overview: *What does it mean to be the Body of Christ? Who are we? If you look around our community, you will see churches of every shape and size, with an entire spectrum of personality, culture, and mission. This series will examine various passages of Scripture which give us a window into the specific calling and culture of City Church at Northside. By looking intently at these passages, we can glean meaningful insights into what it means to be a committed member of the church.*

Key Question to be Answered: *What does God want to do through the lives of His people?*
