The BRIDGE

We are thrilled to introduce The Bridge, a new environment designed specifically for our middle school students (grades 6th–8th).

Details:

- **Who:** Open to 6th–8th grade students.
- **What:** The Bridge focuses on discussing the previous weeks' messages from the main service. It is designed to help students learn, discuss, and apply the messages to their personal lives.
- **When:** Meets the first Sunday of each month during 1st service. Students will transition to a designated space just before the message.

Our goal is not to take students out of the main service, but to equip them with the tools to process longer messages and engage in meaningful discussions. We will make adjustments along the way to best serve our students, but we are excited for this next step in their faith journey! If you have any questions, connect with Clint Logan at cmlogan@citychurchpc.com!
