Faith Conversations

As parents, talking about faith can be challenging because we don't always know what to say or how to say it. The manner in which you talk about faith will change as your kids grow through each phase of life. Please visit Next Steps after the service to pick up a conversation guide for your child no matter their current phase.

## CityStudents SERVE!

We're introducing new opportunities for students to engage in worship and take on essential roles within our church family and community. Whether it's greeting, assisting with tech, or participating in age-appropriate serving opportunities alongside the children's department, there are many ways for our students to get involved.

If your student would like to serve on Sundays, please use this QR code and allow them to fill out this form so we can get them connected!
