CityKids Nursery Update

We ask parents to follow these directions to help cut down traffic and ensure safety of all little ones in the nursery during drop off/pick up times.

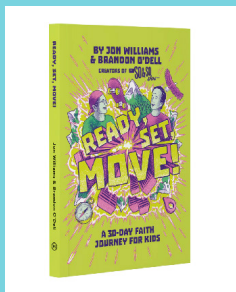

1. Please send one parent (not a sibling) to drop off and pick up, unless you are dropping off multiple children in the nursery and bring your guardian tag.
2. There is a new gate that will remain closed even if nursery door is open. Our volunteers will meet you at the gate to help you in any way necessary! This eliminates any possibilities of little ones sneaking out in the crowd.
3. No one should be in the nursery except volunteers or a parent checking on or feeding their little one. In order to ensure a safe environment we must limit the amount of people in the nursery.

Thank you so much for your help in making the nursery a safe and welcoming space for our little ones.
